Description

This P+1+M villa is a strong choice for anyone looking for a bright, practical and easy-to-live-in home with well-balanced interior and exterior space. With 71.54 sqm of usable area, the property combines everyday comfort with efficient planning, while the attic and 22 sqm private garden add valuable extra functionality.

Bright living area, well-planned bedrooms and useful attic storage

The ground floor includes a bright living area and a fully equipped kitchen, creating a comfortable setting for daily living. Upstairs, the home offers 2 well-positioned bedrooms and an organized private area designed for rest and privacy. The attic adds useful storage space and helps keep the home well arranged.

The property also benefits from 2 parking spaces directly in front of the house, along with a terrace and private garden that bring more flexibility and outdoor comfort. The villa is furnished and finished, with features that support year-round comfort, including its own heating system, underfloor heating, PVC insulated windows and a metal entrance door.

Set within a safe and quiet residential complex, this home offers a calm atmosphere and a comfortable lifestyle in an organized residential setting.
