The area is shaped by a stable, international community made up of expat families and corporate professionals, with a distinctly multicultural character reinforced by several diplomatic residences nearby.

Proximity to international schools such as AISB (American International School of Bucharest), BSB (British School of Bucharest), and Cambridge School of Bucharest is one of the main reasons families choose this area. This is complemented by easy access to Lemon Park, Băneasa Shopping City, and Promenada Mall for retail and dining, nearby Herăstrău Park for outdoor recreation, and good connectivity via Pipera metro station and the main transport routes.
