### Description

A bright 1 bedroom apartment designed for comfortable and balanced living, located in a recently completed modern building. The interior layout offers a welcoming living area, an equipped kitchen and a well-proportioned bedroom, complemented by a balcony that enhances natural light and openness.

## Situated in one of Bucharest's the most sought after residential areas

The apartment focuses on functionality and comfort, featuring quality finishes, underfloor heating, air conditioning and modern technical solutions that support a relaxed urban lifestyle. With approximately 70 sqm usable area and a well-structured layout, the space feels practical and easy to personalize.

The building is part of a low-rise residential development with lift access, underground parking and carefully designed green surroundings that create privacy and a calm atmosphere. The community concept emphasizes quality living and a balanced residential environment.

The location offers easy access to key destinations in the northern area of the city, international schools, restaurants and leisure facilities, while maintaining a quiet residential setting.
