Description

Discover a boutique apartment designed for balanced living, where a well-planned interior blends seamlessly with generous outdoor space. Set within a modern residential project, the property offers privacy, comfort and a calm environment ideal for everyday living.

Located in one of Bucharest's most sought-after residential areas

The interior layout includes a bright living area, equipped kitchen and two bathrooms, complemented by carefully selected finishes that enhance the contemporary atmosphere. Underfloor heating, air conditioning and durable construction materials ensure year-round comfort and efficiency.

A defining highlight is the spacious private garden and exterior areas that naturally extend the living space, creating the perfect setting for relaxation or social moments. The building is part of a boutique development with a limited number of residences, underground parking and extensive green areas surrounding the property.

The location provides quick access to key destinations in the northern part of the city while preserving a discreet residential feel, making it suitable for those seeking a refined lifestyle with everyday convenience.
