From the point of view of thermal comfort, the property is equipped with both a central heating system and air conditioning in each room. The house can be offered both fully furnished and equipped, as well as unfurnished, depending on preferences.

The Vlasiei North One complex has an excellent location, being located just a few kilometers from Bucharest. This makes the location attractive for those who work in Bucharest or for families who want to have easy access to services, schools and cultural activities, but at the same time escape the urban chaos. It is located near the forest, which offers a very good opportunity for outdoor activities such as hiking or cycling.

A big advantage of this location is that it is a 10-minute drive from Therme, the largest wellness and relaxation center in Europe, so this villa is the right choice for those who value a healthy lifestyle and their well-being.
