Description

An apartment that welcomes you with peace, light, and warmth – just like home.

On the second floor of a charming villa, a spacious and bright apartment is waiting to become your personal retreat. Being the only one on the floor, it offers privacy and that rare sense of calm that only a true home can provide.

The generous living room, bathed in natural light, is the perfect setting for quiet mornings with a flavorful coffee or peaceful evenings with your loved ones. The two spacious bedrooms offer room for rest, dreams, and bedtime stories. Large windows allow sunlight to gently pour into every corner, warming both the space and the soul.

Completely renovated and thermally insulated, the apartment blends the charm of classic architecture with all the modern comforts.

The 85 square meters are smartly laid out, with generous storage areas and a smooth, circular flow that invites you to feel free and at ease.

With its own central heating system, you'll enjoy warmth exactly when you need it and a comforting sense of security in any season.

Every detail of this apartment seems carefully designed to create not just a place to live, but a true home. A place you return to with joy, where you find peace and happiness, where family and time have the space to grow beautifully.
