Description

In a quiet corner of the Pipera – Iancu Nicolae area, where the comfort of city life meets the calm of a private green space, this 1-bedroom apartment stands out not only through its design, but especially through its rare and valuable feature — a private garden. With a total area of 65 square meters, the home is ideal for those looking for a well-balanced lifestyle that blends indoor comfort with outdoor moments.

Located In One Of Bucharest's Most Desired Residential Areas

Inside, the layout is smart and efficient. The spacious living room invites relaxation and natural light, while the bedroom offers a peaceful atmosphere, perfect for rest. The kitchen is fully equipped with modern appliances, ready for everyday use or special meals. The bathroom is finished in a contemporary style, and the entire home is fully furnished, with attention to both comfort and aesthetics. Additional features such as a private heating system, air conditioning, washing machine, and refrigerator ensure modern living standards are met.

But what truly elevates this property is the private garden — a rare outdoor retreat in an urban setting. Whether you imagine a morning coffee under the sky, a peaceful reading spot, a play area for a child, or a space for outdoor dining and weekend barbecues, this green corner adds immeasurable value to your daily life.

With convenient access to public transport, shopping, schools, and key areas of northern Bucharest, the location offers both peace and connectivity. The neighborhood is known for its well-structured community, safety, and proximity to nature. This apartment is more than just a place to live — it's a home where you can breathe, grow, and feel truly at ease.
