Location & Lifestyle

Matei Millo is part of Pipera, the residential corridor in northern Bucharest chosen by families who put their children's education, space and quiet first. It is a small neighborhood of houses and villas, with residential developments such as Avangarde Forest 6, in a part of the city where home, school, shopping and nature sit close together.

For families with children, the advantage is concrete: kindergartens and schools such as Bel Sorriso, Avangarde Kids, Școala Gimnazială nr. 1 and Școala Gimnazială nr. 2 are nearby, while international schools such as Olga Gudynn International School and American International School of Bucharest are a short drive away. Pipera is one of the areas most preferred by expat families in Bucharest, with an international community built around these schools.

Pădurea Boldu-Crețeasca is nearby for walks, running and time outdoors, while Pădurea Băneasa remains the reference green space of northern Bucharest. Daily shopping and private healthcare, such as NORD Pipera Hospital, are in the same part of the city.

For professionals, the Pipera office district is a short drive away, which means a short commute. Henri Coandă International Airport is typically reached in about 15–25 minutes by car, depending on traffic. The area is car-dependent and traffic toward the center is heavy at rush hour, offset by having school, shopping and, for many, the workplace in the same part of the city.

Demand for premium homes in northern Bucharest keeps rising, supported by the schools, the amenities and the limited supply of land. Pipera is seen as an alternative to the Herăstrău and Primăverii areas, with comparable amenities and more spacious homes.

At BLISS Imobiliare, we ensure a seamless experience through professionalism and market expertise. Trust BLISS Imobiliare to guide you to the perfect property with clarity and care.
