Description

Located in the prestigious Nordului Herastrau area, one of the most desirable neighborhoods in northern Bucharest, this villa offers generous and flexible space suitable for both residential living and commercial activities. Its excellent position very close to Herastrau Park makes the property attractive for private residence as well as professional uses such as office space, medical clinic, beauty salon or diplomatic representation.

12 room villa built in 2003

Built in 2003, the villa has a total built area of 420 sqm and is arranged over basement, ground floor, two upper floors and attic, offering a total of 12 rooms. The interior layout allows multiple configurations, making the property suitable for a spacious residence or for professional activities requiring well organized office or service areas. The generous room sizes and practical layout allow efficient use of space depending on the intended purpose.

The property benefits from a dual gas heating system and full air conditioning installed throughout the building, ensuring comfort in all seasons. The interior spaces are bright and adaptable, allowing flexible arrangements for residential or professional functions.

The exterior area complements the property with a large terrace, a small private garden and a separate storage shed. The villa also offers four parking spaces, an important advantage in the Nordului Herastrau area where accessibility and parking are essential for both residential and commercial use.

Through its size, configuration and prime location near Herastrau Park, this property represents a versatile opportunity in one of the most desirable areas of northern Bucharest, suitable for residential living or a wide range of commercial activities.
