Description

A spacious, fully renovated villa set within a small gated compound of just 14 properties in the Iancu Nicolae — Pipera Nord area. Every villa in the compound has its own private swimming pool and large garden — a combination that is genuinely rare in this part of Bucharest. The property is particularly well suited to families with children seeking generous outdoor space, privacy, and proximity to the city's leading international schools.

FAQ

FAQ

What type of residential compound is this?

This is a small gated compound of 14 independent villas, each with its own private swimming pool and garden. Access is controlled, and the compact scale of the development provides a high degree of privacy and quiet for residents — a meaningful distinction from larger, more transient complexes in the area.

Is the villa furnished?

The villa is unfurnished but comes with a fully equipped kitchen and dishwasher. This allows the tenant to furnish and personalise the entire space according to their own preferences, without the constraints of existing furniture.

What is the total outdoor space?

The total land area is 750 sqm, with a private garden of 600 sqm. The private swimming pool is situated within this garden, providing a substantial outdoor living environment for families.

What work was carried out in the 2026 renovation?

The villa underwent a full renovation in 2026, updating finishes and installations to a current standard of comfort. The original construction dates from 2007, and the recent renovation ensures the property is in excellent condition and ready for immediate occupancy.

Which international schools are nearby?

The Iancu Nicolae — Pipera Nord area has one of the highest concentrations of international schools in Bucharest, making it the preferred location for most expat families relocating to the city. Several well-regarded international institutions are within close reach of the compound.
