Description

This 1-bedroom apartment offers a modern, practical and efficiently organized living space, suitable for a comfortable urban lifestyle. Located in a building completed in 2024, the property stands out through its semi-detached layout and balanced separation between the living area and the resting area.

Urban Comfort, Easy Access and Efficient Living Space

The apartment has a usable surface of 62 m² and a built surface of 74 m². The interior includes one bedroom, one kitchen, one bathroom and a balcony, offering functionality and flexibility for future furnishing. The property is unfurnished, allowing the future resident to design the space according to personal style and needs.

The building has a 1S+P+7 structure, is equipped with a lift, and benefits from building heating. These features support everyday comfort and complete the profile of a modern home adapted to an active lifestyle.

Its location in the Iancu Nicolae - Pipera area provides quick access to key facilities in northern Bucharest, commercial areas, services, restaurants and points of interest for a balanced urban lifestyle.
