Location and Lifestyle

The apartment is in the Drumul Taberei district, in the Romancierilor – Bulevardul Timișoara area. For commuting, Valea Ialomiței metro station is approximately 0.5 km away and Romancierilor station approximately 0.6 km. Metro line M5 links the district with Eroilor, with connections to the other metro lines, and the public transport stops on the boulevard extend the journey across the city.

For everyday shopping, Profi and Penny are less than 250 m away and Piața Valea Ialomiței is approximately 0.5 km away. A family has nearly everything needed for the daily routine close by.

Colegiul Național „Elena Cuza” is approximately 1 km away. About 1.3 km away begins Parcul Drumul Taberei, around 30 hectares with a lake, running paths and a public swimming pool, rehabilitated and reopened in 2015, well suited to weekend walks and play.

Drumul Taberei was designed as a self-sufficient district, with schools, kindergartens, shops and green areas between the blocks, a structure that still works today. The district draws families, buyers looking for more space at a more balanced price than in the north of the city, and investors attracted by steady demand and the metro. Interest in homes in the area rose sharply after M5 opened in 2020, and new supply remains limited because free land is almost exhausted.

At BLISS Imobiliare, we ensure a seamless experience through professionalism and market expertise. Trust BLISS Imobiliare to guide you to the perfect property with clarity and care.
