Școala Atlas and other educational institutions are nearby, which simplifies the daily routine of families with children. For everyday shopping, supermarkets such as Lidl and Mega Image are close, and Parcul Păcii offers a place to unwind a short distance away. Clinics and pharmacies also operate in the district.

The Gorjului and Păcii metro stations are within walking distance. Metro line M3 links Militari with Politehnica, Grozăvești, Eroilor, Izvor and Piața Unirii, with connections to the other metro lines, a practical option for those working in the west or the centre and for students at the Politehnica campus. As in any dense district of the capital, road traffic is heavy at rush hour, and the area's real advantage remains the metro.

Militari brings together young families, students and professionals. Once seen as a dormitory district, it has come to the fore with the metro and new projects, and Sector 6 has shed its working-class label. For anyone who wants space, public transport and services close at hand, the location is a practical choice.

At BLISS Imobiliare, we ensure a seamless experience through professionalism and market expertise. Trust BLISS Imobiliare to guide you to the perfect property with clarity and care.
