Location & Lifestyle

The apartment is located in Pipera, in a quiet setting near Lake Pipera and Cartierul Azur. Everyday needs are covered close by, with shops, banks, kindergartens, restaurants and a school nearby, keeping the daily routine simple.

The A3 motorway is 2 minutes away, and Băneasa Shopping City, the main shopping destination in northern Bucharest, is 5 minutes away. The northern office hubs are a short drive away, and Henri Coandă International Airport is typically reached in about 15–25 minutes by car from the Pipera area, depending on traffic. The area is car-dependent and traffic toward the city center is heavy at rush hour; the advantage is that services, shopping and, for many residents, the workplace are all in the same part of the city.

Pipera is part of the residential corridor in northern Bucharest known for its international schools offering IB, Cambridge and bilingual programmes, its secure gated communities and its proximity to Pădurea Băneasa, the area's main green space. It is an international community, preferred by expat families and professionals working for multinational companies, with fast access to private healthcare in the north of the city.

Steady demand for homes in northern Bucharest, supported by the schools, the amenities and the limited supply of land, makes Pipera one of the most dynamic residential areas in Bucharest and Ilfov.
