### **Description**

Home in Pipera – The Story of a Welcoming Villa

## **Located In One Of The Most Desired Residential Areas Of Bucharest**

Some places capture your heart from the very first moment.

This villa, nestled in the heart of Pipera, is one of them. Recently renovated, with bright spaces and a welcoming garden, it is ready to become your home.

As you step through the automatic gates, a landscaped garden of 350 sqm greets you – a peaceful green retreat, perfect for quiet evenings outdoors.

On the ground floor, the spacious living room and the dining area with a cozy fireplace create a warm, inviting atmosphere, perfect for family evenings or moments of relaxation. The fully furnished and equipped kitchen awaits the aroma of morning coffee and family dinners. A home office and a bathroom complete this level.

Upstairs, three bright bedrooms, each with its own bathroom, and two balconies fill the home with sunlight. Every room offers intimacy, comfort, and space for dreams to grow.

The villa is equipped with private heating system, air conditioning, 300l boiler, automatic electric generator, and aluminum windows with double glazing – ensuring comfort and security in every season.

A double garage with automatic access, alarm system, video intercom, and electric gates make life easy and safe.

And because a true home is also about location, the villa is close to British School, American School, as well as Mega Image, Penny, and Billa – everything you need just minutes away.

This villa is more than just a house. It's the beginning of a new story, filled with beautiful memories and moments.
