### Description

This villa is a strong choice for those looking for space, comfort and a practical layout within a well-structured property. With 240 sqm of usable area and 300 sqm built area, the home is arranged over ground floor, first floor and attic, offering a configuration that works well for family living and an organized residential lifestyle.

## P+1+M villa with 240 sqm usable space and private garden

The interior includes a spacious living room, 4 bedrooms, 1 kitchen and 4 bathrooms, creating a balanced separation between day-to-day living areas and private spaces. The villa is presented as semi-furnished, features an equipped kitchen and its own central heating system, and was built in 2006 with very good quality finishes.

Outside, the approximately 200 sqm private garden adds valuable outdoor comfort, while the 350 sqm land plot and 100 sqm footprint support a well-proportioned and functional property profile. The 2 outdoor parking spaces further enhance everyday convenience.

Located in Pipera, this home fits well within the demand for spacious and versatile properties that adapt easily to modern family living.
