Description

This well-compartmented apartment offers a practical and comfortable living setup, ideal for those looking for an efficiently organized home in a modern residential building with quick access to the key points of northern Bucharest.

Practical home with useful features and excellent urban access

The property includes 1 bedroom, 1 bathroom, 1 kitchen and 1 balcony, and is located on the 1st floor of a building completed in 2015. Its detached layout supports privacy and daily functionality, while the available space is designed for efficient everyday use.

The interior features an equipped kitchen, dishwasher, parquet flooring, washing machine, air conditioning and a private heating system, offering a solid level of comfort for daily living. The apartment also benefits from a lift and one indoor parking space, an important advantage for urban mobility.

The building has a 1S+P+6 structure and is positioned in an area appreciated for easy access to international schools, shopping centers, restaurants, services and business hubs. Its proximity to the Iancu Nicolae - Pipera corridor adds value for those seeking a well-connected home in an active and sought-after residential setting.

BLISS Imobiliare offers dedicated guidance and access to carefully selected properties, helping you make real estate decisions with clarity and confidence.
