Description

This 3-bedroom house offers a generous and functional living setting, ideal for those looking for space, privacy and flexibility in interior design. The property has a usable area of 120 sqm, a built area of 320 sqm and sits on a 1,000 sqm plot, complemented by a private garden.

Comfort, Space and Functionality Across Multiple Levels

The interior is unfurnished, allowing future residents to personalize each area according to their own style and needs. The layout includes 3 bedrooms, one kitchen, 2 bathrooms, 2 toilets and one balcony, while the 1S+P+1+M structure supports an efficient organization of the living spaces.

Built in 2008, the house benefits from a private heating system, private garden and generous land, elements that support a comfortable and relaxed lifestyle. Its configuration allows a clear separation between living areas, sleeping areas and auxiliary spaces.

The Iancu Nicolae - Pipera area is appreciated for its easy access to international schools, shopping centers, restaurants, services and key points of interest in northern Bucharest. This property is a suitable choice for those seeking a spacious house with ample land and quick access to urban facilities.
