Description

Top floor one bedroom apartment in a boutique 2019 3 floors building close to metro Stefan Cel Mare | Obor | Mosilor | Eminescu in Bucharest.

Area has a nice middle class urban community and is developing fast

The building has a distinguished architectural design which has won an architectural award in 2019.

The apartment has many large windows offering a lot of natural light, large living with open kitchen, guest toilet, bedroom with en suite bathroom, large balcony and the cherry on the cake:

- From the balcony you access the roof terrace over the full surface of the roof. This roof terrace belongs as ownership to this third floor apartment.

The area has a nice middle class urban community and is developing fast. The metro is just 13 minutes walking and further you have shops, restaurants, parks etc just a few steps away.
