Description

BLISS Imobiliare presents a 2 Bedroom apartment located in a beautiful and quiet area, Kiseleff area, famous for its historic villas and buildings, which reveal the bourgeois and cult air of the city.

Spacious and bright apartment with balcony surrounded by nature

This location is perfect for a family, spread over an usable area of 124 square meters, so the rooms are spacious and bright due to the large windows.

In the evening the owners can enjoy a relaxing dinner on the large balcony, surrounded by nature.

The space is fully furnished and equipped, with access to all the necessary facilities.

The apartment is located in the Barbu Delavrancea residential complex, with security and 24/7 video surveillance, consisting of 4-storey blocks of flats and an inner courtyard.

Among them we find the Museum of the Romanian Peasant, the Village Museum, as well as the Kiseleff and Elisabeta Palaces, but also the Izvorul Tamaduirii Church.

The buildings that house embassies, important companies or those that are the homes of wealthy people, keep the bourgeois spirit in terms of functionality and status, with quick access both to the north of the city and to the center.

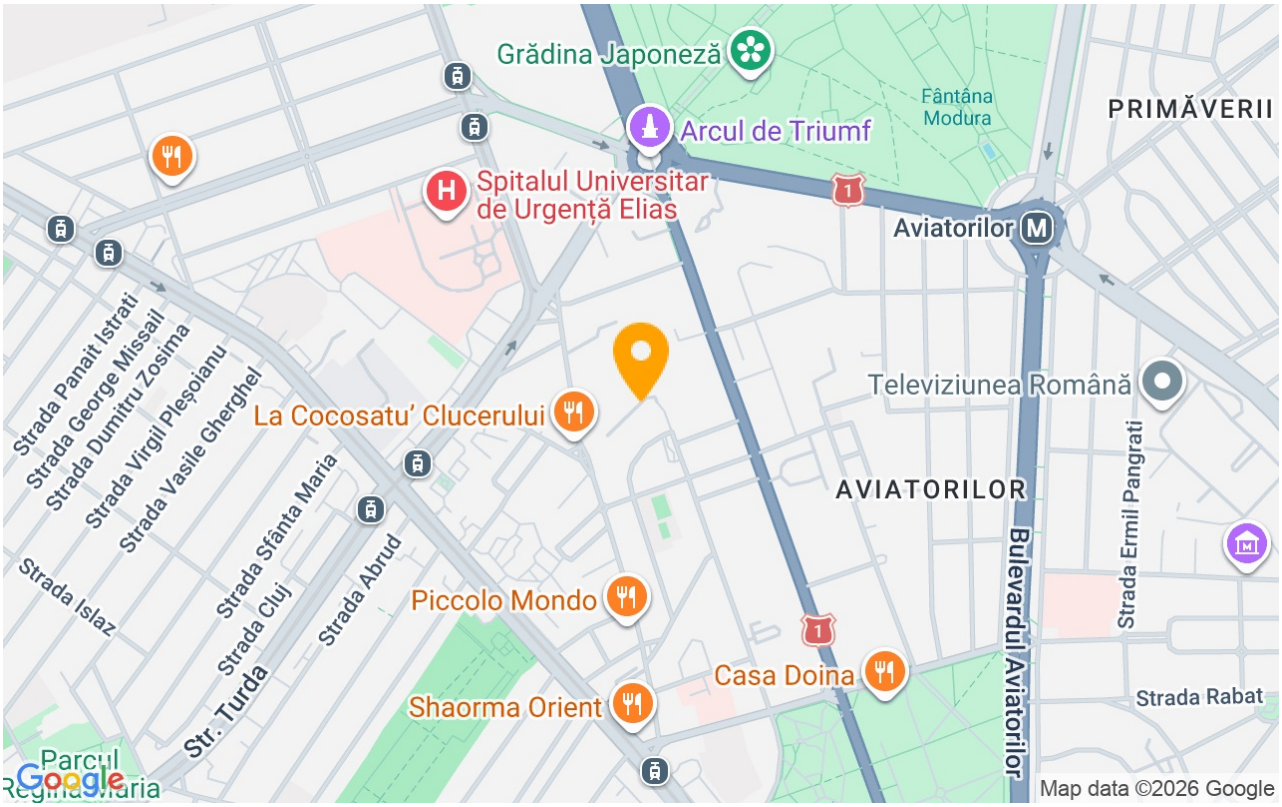

The means of public transport located in the perimeter are the subway (Piata Victoriei and Aviatorilor stations), but also tram 41 or a few other buses.
