Description

Fabulous penthouse with a panoramic view terrace.

Located In One Of Bucharest's Most Sought-After Residential Areas

Very beautiful and exclusive penthouse in Iancu Nicolae area, in the TRAVESTE Residential complex. Architecturally representative building in the Pipera-Voluntri area. The block has luxury apartments and is newly built, opened in 2020 and is now very wanted because of the good location, the elegant neo-classical style and the facilities it provides.

The penthouse has a surface of 262 sqm (155 sqm usable area), being divided into: spacious living room with a whole glass wall and direct exit to a "glasshouse" type terrace of 80 sqm with a panoramic view of Bucharest and of the Baneasa forest, 3 bedrooms, each with private bathroom, completely equipped kitchen. It benefits of high quality finishes and furniture.

For relaxation and free time, the residents benefit of a lot of facilities: exterior pool on the 1000 sqm terrace on the last floor of the building, 4 BBQ areas, gym with new generation equipment, play room for kids and a hall for private parties.

The apartment also benefits of 2 underground parking spots.
