Description

Luxury, one-bedroom apartment, with a total surface of 104.16sqm, located on the 10th floor in One Mircea Eliade.

Luxury one-bedroom apartment 10th floor with underground parking Floreasca

Part of a larger mixed-use development, One Mircea Eliade offers to its residents a large variety of integrated amenities: restaurants, coffee shops, green spaces, playground for children, high-end offices, three underground parking levels, amazing views, and exclusive living apartments, all bordering Floreasca Park.

On a total land surface of around 2.8 hectares, the development consists of approximately 245 design apartments, ranging from one to three-bedroom apartments and three to four-bedroom penthouses.

Similar to every building developed by One United Properties, One Mircea Eliade also integrates an energetically efficient plan, with Green Certificate and minimal impact on the environment. The investment doesn't target only the buildings, but the entire area as well, therefore the road infrastructure was improved and many parking spaces were created in order for the traffic to become more fluid.

One Mircea Eliade is thus offering residential units built at extremely high standards, environment-friendly, energy-efficient, and sustainable, the complex meeting all the standards to be a landmark residential development.
