Description

It is placed within the Rams Residential Tineretului complex, in the immediate vicinity of the Tineretului Park and the Vacaresti Nature Park and the Sun Plaza mall, with easy car and pedestrian access thanks to the diversity of public transport that serves the area.

It has parking spaces in front of the block intended for tenants.

Located on the 5th floor, it has a constructed area of 50 square meters and is ergonomically designed, designed for convenience and comfort. It is fully furnished (Mobexpert and Ikea) and equipped, completely renovated, modern and minimalist, the intelligent use of the interior space being one of its defining characteristics.

It has a large spacious room, divided into two areas, namely the day area (a very comfortable sofa, TV and wireless Internet), as well as the night area (double bed, hard mattress from the range Luxury Mobexpert), a fully furnished and equipped kitchen (the Mobexpert furniture made to order of a superior quality with Blum partitioning sliding systems, as well as the latest generation Gorenje and Franke appliances), a bathroom (which has a glass system modern and super slim shower tub with floor heating system), a hall (where there is a dressing room provided with generous storage spaces), to which is added a terrace with a street view, as well as the two parks.

The modern architecture, the quality of materials and finishes contribute to the comfort and image of the tenant, representing the ideal choice for people who want a comfortable home with all the facilities available.

The building is mainly occupied by members of multinational companies, with above average incomes, it benefits from 24/7 security monitoring services and cleaning services provided by a specialized company.
