Description

Oxford Gardens is considered a luxury residential complex, due to the adjacent services provided to future tenants. In addition to ensuring the security of the complex as a whole, as well as of each owner, Oxford Gardens introduces a package of western services on the Romanian market.

The villas at Oxford Gardens feature a refined English style rendered by architecture, landscaping, finishes and features. Also, the special aspect is highlighted by the natural stone, solid parquet, the bathrooms with furniture imported from Italy, the kitchens - appliances - and the terraces combine natural stone with noble wood.

The Oxford Gardens complex is located in a luxurious area in the north of Bucharest, opposite the American School. It is built in harmony with nature, while enjoying the direct vicinity of Băneasa Forest, which offers generous green spaces similar to English gardens.
