Description

BLISS Imobiliare presents this two bedroom apartment that offers a spacious home equipped with modern amenities in an environment that integrates comfort and nature.

The apartment has 2 bathrooms, each contributing to the daily comfort of the tenants. With furniture included, it is ready to be lived in and enjoyed.

The in-house Vaillant gas boiler, together with the underfloor heating system, ensures a comfortable temperature in every room. Air conditioning adds flexibility in adjusting the indoor climate to your preferences. Cable television and high-speed Internet in every room round out the amenities for entertainment and communication.

The card access system and videophone bring an additional level of security and control over access to the apartment. 24/24 video monitoring helps ensure a safe environment.

The complex where the apartment is located offers a wide range of facilities, including a generous 15x30m swimming pool for relaxation and fun, a children's play area, as well as gazebos and green spaces that add a natural and pleasant air to the residential environment.

With access to a forest directly from the yard and underground parking space included, this apartment is an attractive option for those looking for a balance between urban comfort and contact with nature.
