### Description

BLISS Imobiliare presents a 2-bedroom apartment on the 1st floor, in the interwar villa renovated in 2005, in the Dorobanti Capitale area.

## Premium Bohemian Style 2 Bedroom Apartment in Dorobanti Capitale

The built area is 178 sqm, and the usable area is 141 sqm, common yard and parking space in the yard.

Special property due to the architecture, the division of space, the height of the rooms, the doors with crystal windows and the other facilities: separate entrance, own central heating, open terrace of 25 sqm.

The owner reconditioned and preserved the entire interwar beauty of the building. The interior doors made of solid wood and Belgian crystal, the wooden windows, the parquet floor rendered with its beauty, the marble-clad stairs and, of course, the mosaic in the hallways and bathrooms perfectly reproduce the fairytale atmosphere.

The kitchen is classically furnished, but modernly equipped.

The apartment, having a fluid design, typical of the period in which it was built, allows a natural transition from one room to another, each new space we pass representing a new enchantment.

Being located in a central area, there is quick access to the main boulevards that lead to all areas of interest in

Bucharest.

There are also numerous bus stops nearby, as well as the Piata Victoriei metro station.
