Description

Discover a bright 2 bedroom apartment designed for modern and balanced living, located in a recently completed residential building. The well-planned layout offers privacy and functionality, making it suitable for both family living and an active urban lifestyle.

Situated in one of Bucharest's the most sought after residential areas

The interior focuses on comfort and efficiency, featuring an equipped kitchen, air conditioning and underfloor heating that ensures a pleasant climate throughout the year. Carefully selected finishes enhance the elegant atmosphere, while the generous usable area creates an airy and welcoming environment. The apartment includes two bedrooms and two bathrooms, offering flexibility for different living needs.

The building is developed using durable materials and includes an elevator, underground parking options and extensive green areas designed for relaxation. The project promotes a boutique-style community, emphasizing comfort and quality shared spaces.

The location provides quick access to key northern city points, international schools, restaurants and lifestyle destinations, while maintaining a quiet residential setting.
