Description

This bright 2 bedroom apartment brings together contemporary design and functional living, offering a balanced lifestyle in a modern residential setting. The well-proportioned layout and welcoming atmosphere create a comfortable home environment suited for long-term living.

Situated in one of Bucharest's the most sought after residential areas

Inside, the apartment features an airy living area, equipped kitchen and two well-sized bedrooms complemented by two bathrooms and carefully selected finishes. Underfloor heating, premium windows and climate systems enhance everyday comfort, while the semi-detached layout maximizes usability.

The recently completed building stands out through modern architecture and a limited number of apartments, creating a quiet and private residential atmosphere. Underground parking, generous green areas and durable construction materials add long-term value and convenience.

With easy access to key northern destinations and lifestyle amenities, this home supports an active yet relaxed way of living close to nature and essential city points. The boutique-style community enhances privacy and exclusivity.
