Description

Special 2 bedroom apartment located on the 1st/3 floor in a building with a high architectural value, without seismic risk. The building was designed by the renowned architect Marcel Iancu and is located on Strada Paleologu, in the former Jewish quarter.

The apartment has a useful surface of 87 sqm and is sold unfurnished. It consists of a living room, an equipped kitchen, two bedrooms, a bathroom and a balcony.

It benefits from air conditioning and its own central heating system.

Strada Paleologu is a special ambient area of Bucharest, due to the quality of the buildings, the charm of the people and the spaces with memorial value, such as the house once inhabited by the writer Panait Istrati, or the composer Hilda Jerea.

In the area there are numerous shops, restaurants, cafes, educational and medical centers, bus and tram stations.
