**Description**

BLISS Imobiliare presents a 3-bedroom apartment, located in the residential complex Insieme Residence, Pipera, which is guarded and closed with a barrier.

**The location of the property is an exceptional one.**

The apartment is located between the Iancu Nicolae area and the American School, and within a radius of 2 kilometers we have no less than 7 educational centers, schools, kindergartens and after school for children. These include Olga Gudynn International School, British School of Bucharest, Kids Kingdom Kindergarten, Mark Twain International School, etc.

The area where the apartment is located is very sought after, due to the quick access to facilities and top quality services. Starting from local businesses, including shops, grocers, cafes, restaurants, gyms, beauty salons, clinics (aesthetic, medical, dental and veterinary), car washes and car services, etc., to large commercial centers, such as Jollie Ville, Strip Mall, Baneasa Shopping City or Promenada Mall, the Pipera area offers everything you need for a modern and comfortable lifestyle.

From the apartment we have an unobstructed view of the forest, and the distance from busy roads such as Bulevardul Pipera ensures peace in the house or on the balcony.

The apartment has four rooms, including 3 bedrooms and an open space living room with kitchen. Two of the bedrooms have their own dressing room and en-suite bathroom.

The apartment is ideal for a family with children, but also for a dynamic couple, who wants enough living space combined with work/hobby.

One of the bedrooms can easily be converted into an office or hobby room and will not affect the privacy of the other two bedrooms.

The apartment was completely renovated at the beginning of 2023 and is ready to move into at any time.
