Description

BLISS Imobiliare presents a superb and modern 4-bedroom villa, located in the Zenville residential complex, Pipera Nord area.

The villa is part of a gated community, secure with controlled access.

The entire complex provides generous access roads for each section of houses with sidewalks, parking for visitors, children's playground, generous green spaces and the common pool. The development area is strictly residential, withdrawn from the bustle and traffic of the main arteries, and benefits from fresh air, being able to reach Padurea Băneasa in only 10 minutes on foot.

The compartmentalization of the space was done intelligently, the ground floor being composed of a spacious living room with a dining area and exit to the terrace, a closed kitchen, a bathroom and a dressing-type storage space. Upstairs we find two fully furnished and equipped bedrooms with dressing rooms, both with their own bathroom. The next level has two other bedrooms with a bathroom serving them.

The villa enjoys a superb design, it is modernly furnished and equipped, with high quality products. It also has 2 parking spaces outside.

In addition to the special look and the ideal location, the villa has the following facilities:

- underfloor heating on the entire surface
- 14 mm thick laminated wood parquet
- heat-insulating PVC carpenter
- air conditioning in all rooms

The villa is located in a highly sought-after area, thanks to the quick access to facilities and top quality services. Starting from local businesses, including shops, grocers, cafes, restaurants, gyms, beauty salons, clinics (aesthetic, medical, dental and veterinary), car washes and car services, etc., to large commercial centers, such as commercial Jollie Ville, Baneasa Shopping City (at a maximum of 14 minutes away), the Pipera area offers everything you need for a modern and comfortable lifestyle.

The villa is close to the top schools in the area, such as the American School, British School, Cambridge School or Olga Gudynn International School, which are a few minutes away. In addition to schools, there are many kindergartens and educational centers and after-school recreational activities in the area.

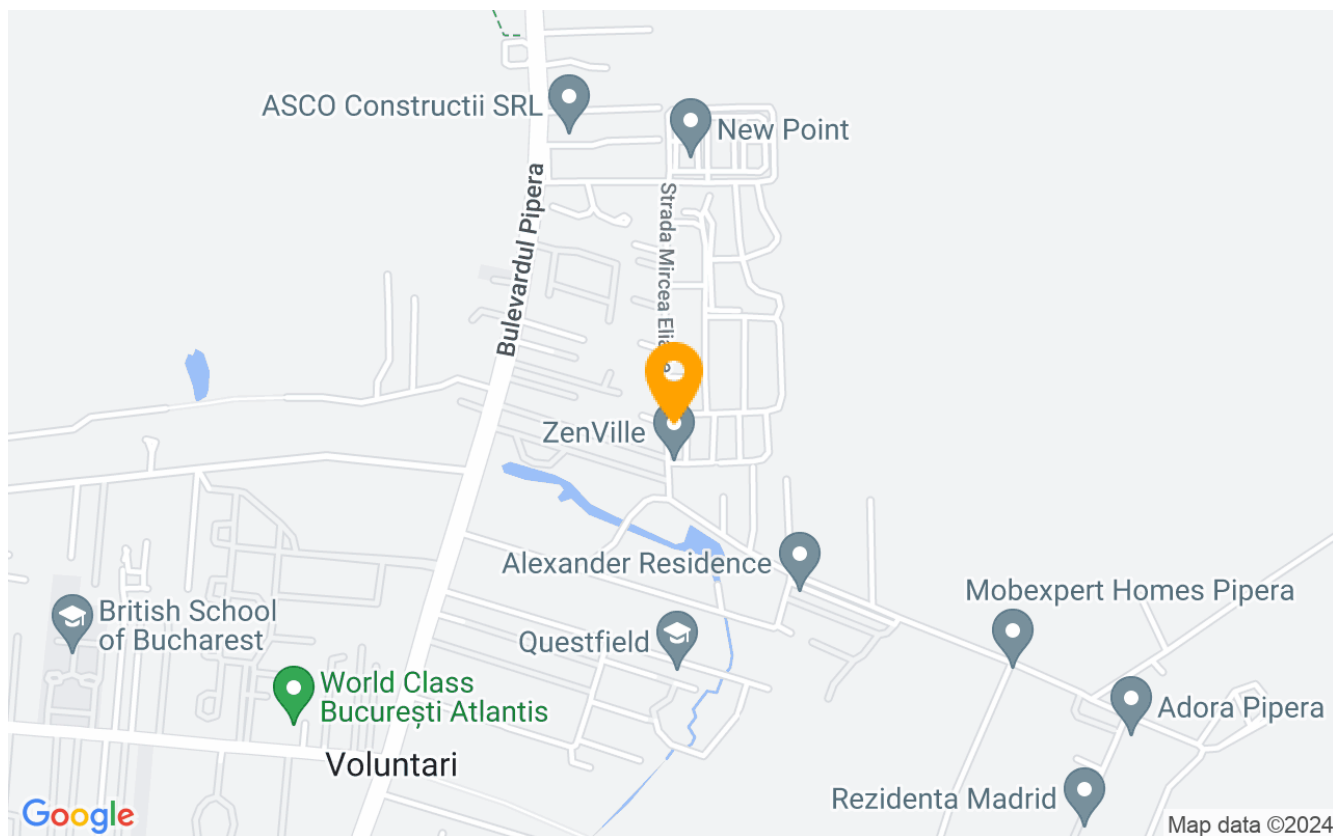

Therefore, this villa is ideal for a family that wants a comfortable and quiet lifestyle, in an exclusive area, connected to everything that matters for growth and development.
