### Description

This 2-room loft with a useful area of 57 square meters is an excellent opportunity for those looking for a comfortable residential space in a convenient area. Built in 2015 and unused until now, this property offers a fresh and immaculate living environment.

The attic is divided into two rooms, providing enough space for a bedroom and a living room or for other purposes such as an office or a hobby room.

An important feature of this property is the possibility to park on the street, ensuring easy and convenient access to your personal vehicle. This facility is particularly convenient for those who do not want to invest in an underground parking space or for those who need quick access to their car.

Being unused until now, this loft offers the opportunity to be customized and furnished according to the individual preferences and tastes of the new owner, giving the freedom to create a unique and personalized residential space.
