Description

BLISS Imobiliare presents a 1-bedroom apartment, detached, located in the complex Pipera Apartments 188, near the Baneasa forest.

The property also includes an above-ground parking space.

It has a usable area of 56 square meters and is divided into living room, closed kitchen, bedroom, bathroom, to which are added 2 balconies of 5 and 9 square meters, respectively.

The apartment is fully furnished and equipped, and has high quality finishes.

The Pipera Apartments 188 complex is secured 24/24, has both above-ground and underground parking, and the resistance structure of the building is made of reinforced concrete, being one of the most used types of structure and consisting mainly of trenches, beams and pillars. The basic principle is the following: the weight is first taken over by the concrete slabs, which in turn rest on the beams, which rest on the pillars, the pillars on the foundations, and the foundations on the ground. Thus, it offers a very good resistance to the action of earthquakes.

The area where the apartment is located combines both the tranquility offered by the outskirts of the capital (North of Bucharest) with the functionality of the Pipera neighborhood consisting of shops, medical clinics, gyms and swimming pools, parks and leisure spaces away from urban traffic jams.

Just 10 minutes by car, you will find the Jolie Ville Pipera shopping center, and Baneasa Shopping City is 17 minutes away, offering a varied range of shops, entertainment and restaurants. Also, Baneasa International Airport is at the same distance.

In addition to the American School and the Olga Gudynn International School, which are a few minutes' walk away, the area offers an impressive number of elite international schools and kindergartens, among which are Mark Twain International School, Cambridge School, British School and many others, which are at a distance of about 10 minutes by car.

Therefore, this apartment is ideal for people who want a comfortable and quiet lifestyle, in an exclusive area, connected to everything that matters for growth and development.
