Description

BLISS Imobiliare presents a 1-bedroom apartment, located in the new Trio Bridge Crangasi complex, completed in October 2023.

Lidl and the Crangasi metro station are in the immediate vicinity.

The apartment is very bright, with 2 balconies facing east and west, and on the top floor of the section, with a view unobstructed by other buildings, far from the noise of the street.

It is fully furnished and equipped, with premium finishes, of the best quality. Optimum comfort is achieved through underfloor heating that you can control from the smart home application, two Daikin multisplit air conditioning units and Eglo intelligent lighting.

For additional storage space, there is a cabinet in the corridor.

Access to the block is easy, without steps at the entrance, the building has two Schindler elevators of the latest generation.

The apartment also includes an XL parking space of 12 square meters. Also, in the complex there are charging stations for electric cars, and if you have a bicycle, the complex also has a special parking lot for keeping it in a safe space, regardless of the season.

The positioning is very good, thanks to the easy access to the facilities in the area, such as shops (Mega Image, Penny Market, Lidl, eMag, the Crangasi Agro-Food Complex, etc.), the tram stop 41 and the Crangasi metro station, which are only a few minutes away walking.

Crangasi Park, together with Morii Lake, are also just a few minutes away, being the perfect places for play sessions with the little ones or long walks with four-legged friends, all of which are welcome moments of socializing within the community.

You can easily and quickly reach other areas of interest in the capital, such as the Politehnica University, Orhideea Towers, Sema Park, Business Garden Bucharest, AFI Cotroceni, Gara de Nord, etc., which are at a distance of 10-20 minutes by car or public transport.
