Description

Located in the central area of Otopeni, this impressive 5-bedroom villa (6 rooms in total) stands out through its generous size and adaptable layout, making it suitable both as a private residence and for professional activities. Built in 2012, the property offers approximately 485 sqm of usable space, set on a plot of approximately 700 sqm, ensuring space, comfort, and flexibility.

Versatile layout suitable for extended family or business

Surface & Layout

- Approx. 485 sqm usable area
- Approx. 700 sqm land plot
- Arranged on multiple levels
- 6 rooms in total
- Multiple living areas
- 2 kitchens - ideal for separate or mixed residential and business use
- Functional spaces adaptable to various needs

The generous interior allows efficient organization, whether for an extended family or for combining residential and professional use.

Flexible Usage Options

Thanks to its spacious interior and versatile configuration, the property can serve as:

- Residence for an extended family
- Home for two families
- Company headquarters or office space
- Medical clinic or private practice
- Afterschool or private kindergarten
- Home with a dedicated professional area

The layout allows clear separation between living and working areas.

Outdoor Features

- Private yard of approximately 700 sqm
- Space for garden landscaping
- Outdoor relaxation or activity area
- Two garages

The generous plot enhances the property's functionality and offers multiple outdoor arrangement possibilities.

Location - Central Otopeni

Situated in Central Otopeni, the villa benefits from:

- Easy access to Bucharest
- Close proximity to Henri Coandă International Airport
- Quick access to DN1
- Nearby schools, kindergartens, and shopping facilities
- Mixed residential and commercial surroundings, ideal for both living and business activities

This 5-bedroom villa in Central Otopeni is an excellent choice for those seeking generous space, adaptability, and strategic positioning in a well-connected and dynamic area.
