Description

Discover the charm of this spacious 2-bedroom apartment nestled on the first floor of a well-established 5-story building, crafted in 2007. Excellent as a home or as an office. Also a home office suits this property well.

Conveniently, the property boasts a dedicated parking place and an underground storage room for your ease.

Positioned across from the renowned Baneasa Zoo on Iancu Nicolae, this residence offers more than just a home; it's a gateway to a vibrant lifestyle.

Enjoy the convenience of nearby shopping, international schools, and a plethora of recreational opportunities.

A mere stroll across the street leads you to the enchanting forest, providing a tranquil escape.

The apartment treats you to a wonderful open view on the west, inviting the warm glow of a breathtaking sunset into your daily life.

Embrace a harmonious blend of urban amenities and natural beauty in this inviting abode.
