### Description

Situated close to the metro station and the main road.

We offer a 3-room, semi-open apartment, completely renovated at the beginning of the year, unoccupied and available immediately. The building is thermally rehabilitated and stands out due to its exceptional natural light. The property is distinguished by its furnished and fully equipped kitchen. The living room features a TV, quality furniture, and laminated flooring, while the two bedrooms benefit from parquet flooring, creating a functional and comfortable space. The bathroom is fully equipped, and the spacious balcony, along with two storage closets, provides additional storage space. Parking is available behind the building. The location is excellent, on Mihai Bravu Road in the Bucur Obor area, between the Predoleanu zone and Iulia Haşdeu High School, just 5 minutes from the metro, in a clean, quiet area with direct access to the main boulevard.
