Description

Serenity 1 Villa - Architectural Design, Smart Systems & Premium Finishes

Situated in one of the most sought after residential areas in Bucharest.

Welcome to Serenity 1, a one-of-a-kind fully furnished and finished villa, designed for modern living with the highest level of comfort, efficiency, and style. A premium home equipped with cutting-edge technology and luxurious materials throughout.

Exterior: Design Meets Durability

- Brick structure with expanded polystyrene insulation and decorative plaster
- Façade combining ceramic panels and thermally-treated pine wood slats
- RAYNERS windows and entrance door, triple-glazed
- Private pool (6×3 m) with counter-current system, 3D black liner, heat exchanger and automated filtration
- Natural travertine in the backyard and balconies
- Fully enclosed perimeter fence

Interior: Refined Comfort & Style

- Engineered Kulttur wood flooring, plush antibacterial carpet in bedrooms
- Gypsum ceilings, Color Smart accent paint on walls
- Flush and classic interior doors by Kulttur
- Signature glass & wood staircase as architectural centerpiece
- Custom Italian kitchen with premium appliances
- Full set of designer furniture, including Sofa Belle beds
- Lighting fixtures by Karman Italia

Smart Living Systems

- KNX smart home system for lights, sockets & scenarios (remotely controlled)
- Underfloor heating and ceiling cooling via reversible heat pump
- Centralized ventilation with fresh air intake (optional antiviral ionizer)
- Pre-installed central vacuum system
- Ready plumbing installations, including mounted WC & bidet supports
