Description

This newly built, fully furnished and modern apartment is located in MtM Pipera Lake, a secure residential compound in the northern area of Bucharest. With a total surface of 81 sqm (including a 7 sqm balcony), this property offers comfort, efficiency, and elegant finishes – ideal for modern city living.

Located In One Of The Most Desired Residential Areas Of Bucharest

Layout and interior spaces

The apartment is semi-detached and includes 3 rooms, 2 bathrooms and a functional layout that balances privacy and practicality. It is located on the 5th (top) floor of a building with elevator and ventilated facade, ensuring excellent energy efficiency and thermal comfort.

Heating, cooling and appliances

Equipped with a modern heat pump system, the property offers underfloor heating and fan coil cooling units in each room. The kitchen is fully integrated and fitted with premium built-in appliances including a dishwasher, washer-dryer, induction cooktop, hood, and electric oven. All furniture is custom-made, offering well-optimized storage solutions and a coherent modern interior design.

Compound features

Mtm Pipera Lake is a gated community with 24/7 security and controlled access. Located near the lake, it offers a calm and green environment while remaining close to public transportation, international schools, shops, and restaurants.

Additional benefits

The apartment comes with an underground parking space, providing year-round convenience and safety.

This home is perfect for professionals, couples, or small families looking for a comfortable, stylish, and energy-efficient living space in one of the most dynamic residential areas in the north of Bucharest.
