Description

This apartment is a strong option for anyone looking for a well-balanced, bright and practical home in a building completed in 2024, set in the Iancu Nicolae - Pipera area. With a total usable area of 70 sqm, including 52 sqm indoors and an 18 sqm terrace, it offers a very good balance between indoor comfort and outdoor space.

Upper-floor setting, elevator and deluxe comfort in a recent building

The interior layout is efficiently planned, featuring a spacious 32.6 sqm living area with dining space and kitchen, a 14 sqm bedroom, and a 5.3 sqm bathroom. Positioned on the 6th floor out of 8, the apartment benefits from openness and a pleasant sense of space, while the 18 sqm terrace adds valuable flexibility for everyday living and relaxation.

The property is part of a building with elevator access, offers deluxe comfort, comes unfurnished, and benefits from building-based heating. These features make it easy to adapt to a modern lifestyle and personalize according to individual needs.

Iancu Nicolae - Pipera remains one of the most desirable residential areas in the north of the city, appreciated for its accessibility and established residential setting.
