### Description

This elegant 1-bedroom apartment is a refined expression of contemporary style, located in one of the most desirable residential areas in northern Bucharest — Pipera – Iancu Nicolae. Fully furnished and finished to a premium standard, the space combines design sophistication with functionality.

### Located In One Of Bucharest's Most Desired Residential Areas

One of its key features is the 9 sqm enclosed terrace, equipped with a fully retractable glass system, offering a versatile indoor-outdoor living experience year-round. The interior was curated by professional designers, with every detail carefully considered — from high-traffic flooring and natural stone accents to custom furniture and integrated ambient LED lighting.

The separate kitchen is fully equipped with high-end appliances, while the master bedroom features a queen-size bed, custom storage, and a smoked-glass wardrobe with smart compartments. The apartment also benefits from underfloor heating, a modern climate system, and new electrical installations.

The layout is highly functional: a stylish living room with dining and TV area, a spacious bedroom, modern bathroom, closed kitchen, and entry hall with built-in storage.

This property is perfect for those who appreciate refined finishes, comfort, and a modern lifestyle — all within easy reach of international schools, shopping centers, and business districts in the north of the city.
