Description

This 1-bedroom apartment with a private garden is a rare find in the city — combining the privacy and calm of a house with the comfort of modern apartment living. Located in the green and quiet Iancu Nicolae – Pipera area, the property is fully furnished and equipped, offering a peaceful lifestyle close to urban conveniences.

Located In One Of Bucharest's Most Desired Residential Areas

The garden is thoughtfully designed for year-round enjoyment. A 12 sqm covered gazebo allows for outdoor relaxation in any season, while the automated sprinkler system keeps the lawn fresh and lush. An 8 sqm storage shed with shelving and a workbench adds practical utility. The space is beautifully enhanced by ornamental plants and fruit trees, including magnolia, roses, lavender, figs, berries, and more — creating a charming and vibrant outdoor oasis.

The apartment is secured with video surveillance and comes with a dedicated parking space. It's an ideal home for those who value privacy, greenery, and a quiet residential setting, without giving up proximity to schools, shops, and city life.
