Description

This studio in Win Herastrau delivers a carefully composed living experience inspired by the comfort of a 5-star hotel room, with an interior created together with a designer and finished with premium materials, appliances and décor elements. Set on a high ground floor with a view towards the inner courtyard, the property includes an entrance hall, main living area, bathroom, kitchen and loggia, offering approximately 28 sqm usable space and 36.6 sqm built area. The studio is furnished, features an equipped kitchen and is located in a building completed in 2023 with elevator access. Its position in the Soseaua Nordului – Herastrau area adds value to a compact home designed with attention to detail, inside a landmark residential development.

Loggia, courtyard view and refined everyday comfort
