Description

Luxury Penthouse in Dacia Area - Spectacular Terrace and Ultracentral Location

Vast Living Space and Superb Views in Dacia District

We present a rare real estate opportunity: a spectacular 3-bedroom penthouse located in the Dacia / Mihai Eminescu area, one of Bucharest's most exclusive and sought-after ultracentral locations. This property represents the perfect symbiosis between the bohemian charm of a historic neighborhood and the absolute comfort of a modern residence, offering a unique perspective over the entire Capital.

Exceptional Terrace: A Rooftop Sanctuary in the Heart of the City

The highlight of this penthouse is undoubtedly its spectacular terrace. Designed as a natural extension of the living room, it redefines the urban experience:

- Visual Privilege: Offers a spectacular panoramic view where the modern skyline meets the interwar rooftops of the Dacia district.
- Versatility: The generous space allows for an exclusive lounge area, a suspended garden, or an outdoor dining space, perfect for private open-air receptions.

Premium Interior Design and Layout

The interior follows the same standards of excellence, defined by large spaces flooded with natural light:

Layout: 4 spacious rooms, including a monumental living room with large glass walls and 3 quiet bedrooms designed for maximum privacy.

Finishes: High-end materials and state-of-the-art technical features that complete the sophisticated aesthetic of the home.

Location: Prestige and Total Accessibility

The ultracentral placement within the Dacia perimeter provides immediate access to the best the city has to offer:

- Connectivity: Swift access to University Square, Piata Romana, and major transportation hubs.
- Lifestyle: Unbeatable proximity to the gourmet cafes of the Icoanei area, fine-dining restaurants, embassies, and prestigious cultural institutions.

At BLISS Imobiliare, we ensure a seamless experience through professionalism and market expertise. BLISS Imobiliare guides you with clarity and structure.
