FAQ

What sport and wellness facilities are available within the complex?

The complex includes a semi-Olympic swimming pool, fitness centre, wellness centre with subscription-based access, and a private 1.5 km running track. All facilities are integrated within the complex, with no need to travel outside the grounds.

How are the bathrooms arranged in this apartment?

The apartment has two bathrooms: the master bedroom has an en-suite bathroom with a bathtub, and the second bathroom is fitted with a walk-in shower enclosure, providing comfort and privacy for the full household or guests.

What heating and cooling systems does the apartment have?

The apartment is fitted with LG multi-split air conditioning for cooling and an individual apartment boiler for heating, allowing independent control of energy consumption. The building holds an energy class A certificate.

What is the parking arrangement and how is it accessed?

The apartment includes one underground parking space within the complex. The parking area is directly accessible from within the grounds, secured and covered by the complex's 24/7 security system.

What international schools and education options are available nearby?

The Pipera area offers several international education options, including Verita International School, located close to the complex. This makes the neighbourhood one of the preferred destinations for expat families and internationally relocated professionals in Bucharest.
