Description

This finished home offers a well-organized layout with approximately 45.70 usable sqm and a total area of 64.80 sqm, complemented by an 8.40 sqm balcony for added everyday comfort. Positioned on the 1st floor of a building with lift access, it is ready for immediate move-in and brings together practicality, natural light and an easy-to-live-in atmosphere.

Underfloor heating, balcony and premium finishes.

Inside, the apartment is finished and prepared for immediate use, featuring an equipped kitchen, included furniture, air conditioning, PVC windows, a metal entrance door, parquet flooring and tile finishes. The layout includes 1 bedroom, 1 bathroom and 1 kitchen, while thermal comfort is supported by an individual heating system and underfloor heating with thermostat control in every room.

From a construction standpoint, the property includes Porotherm brickwork, a façade insulated with 15 cm polystyrene and mineral wool, and completed land registration, adding practical value and clarity to the offering. Its location in the Iancu Nicolae | Pipera area further strengthens the appeal for those targeting this part of the city and looking for a home with modern features and immediate usability.
