### Description

This furnished 2-bedroom apartment offers a practical balance between comfort, functionality and access to modern residential facilities, making it suitable for those looking for a ready-to-move-in home in a completed residential development.

## Quality Finishes, Practical Layout and Inner Courtyard View

The apartment has a usable area of 67 sqm and a built area of 73 sqm, with a semi-detached layout. The interior includes 2 bedrooms, 2 bathrooms, an equipped kitchen and one balcony, creating a comfortable and efficient living space.

The property is fully furnished and equipped, featuring a private Ariston heating system, Mitsubishi Electric air conditioning, Egger flooring, Porcelanosa / Atlas Concorde tiles, Roca Design / Sanycces sanitary ware, Griferias Borrás fittings, Bluinterni interior doors with hidden Filomuro frames, a high-security Dierre entrance door with multipoint locking and Salamander PVC triple-glazed windows.

A key advantage is its position in building A1, with views toward the inner courtyard and the private green area of the residential development, away from street traffic. The apartment is located on the 5th floor of a building completed in 2016, with a 1S+P+8 structure, fast and quiet Kone elevators and marble-finished common areas.

The development supports a comfortable urban lifestyle, with access to interior green spaces, everyday convenience and nearby services. Pipera Plaza and Lidl are close by, while the area is well connected to office buildings such as Swan Office Park, Global City, Cubic Center, Nord City Tower and Pipera Business Tower.

For those looking for a modern, fully equipped 2-bedroom home in the northern part of Bucharest, this apartment offers a well-configured and practical option. Contact BLISS Imobiliare for more details and to schedule a viewing.
