### Description

This 1-bedroom apartment offers a practical balance between comfort, functionality and the rare advantage of a private garden. Located on the ground floor of a building completed in 2022, the property has a total usable area of 46.62 sqm, complemented by a 7.38 sqm terrace and a 31.50 sqm private garden.

## Modern Comfort in a Completed Building with Easy Northern Access

The semi-detached layout includes a living and dining area, separate kitchen, bedroom, bathroom and entrance hallway. The terrace and garden naturally extend the interior space, creating a pleasant setting for outdoor relaxation, a private green corner or quiet time at home.

Heating is provided by the building, and the property is located in a block with lift, making it a practical option for those looking for a compact, well-organized and easy-to-adapt home.

The Străulești - Băneasa/Sisești/Jandarmerie location offers convenient access to key areas in northern Bucharest, nearby residential amenities, urban services and important road connections.
