Description

This 1-bedroom apartment offers a clear and efficient layout, ideal for a single resident or a couple looking for a comfortable, well-organized home in a well-connected residential area.

Modern Building with Lift and Well-Defined Spaces

With an interior usable area of 55.7 sqm and a total area of 64.2 sqm, the apartment is designed around practical living, with distinct spaces for relaxation, cooking, rest and everyday functionality.

Property highlights:

- Living and dining area of 20.2 sqm
- Separate kitchen of 8.7 sqm
- 1 bedroom of 14.3 sqm
- Bathroom of 4.4 sqm
- Practical hallway of 8.1 sqm
- Spacious 8.5 sqm balcony
- Detached, functional layout

The apartment is located on the 3rd floor of a 1S+P+4 residential building completed in 2020. The building includes lift access and heating from the building system, adding comfort and convenience to daily living.

Positioned on Erou Iancu Nicolae Street, the property benefits from access to one of the most appreciated residential areas in northern Bucharest, close to international schools, restaurants, services, green areas and key lifestyle facilities.
