Description

Large 217 sqm usable surface apartment on the first floor and attic of a 1930's villa in the Dorobanti Capitale area of Bucharest.

Representative apartment in premium location of Bucharest Romania

The apartment has a separate, only for this apartment, entrance and a 176 sqm surface on the first floor plus a 40 sqm on the attic on two levels.

In the back of the villa this property also includes a 15 sqm separate storage area. The total constructed surface of the full property is appx 300 sqm.

This property has been fully renovated in 2013 and includes 8 rooms, 4 bathrooms, a modern kitchen, air conditioning, own central heating system, separate private entrance, a balcony and many windows to offer a bright interior space.

Due to it's positioning this property is excellent for residential purposes or as a representative office.

The layout also offers an excellent possibility for home office purposes.
